

# ANNOUNCING!

## ULI NEXT

ULI NEXT is a new, member-led Council for mid-career professionals, aged 35-45 (roughly), to engage in discussions around topics that affect their businesses, help them develop professionally, and support a deeper understanding of the community in which they live. It is intended to provide an opportunity for individuals in similar stages in their careers to develop a meaningful connection in a forum that facilitates open sharing of knowledge among participants.

ULI NEXT will consist of 30 professionals, representing a diverse mix of sectors in the industry, who are selected to attend a quarterly luncheon meeting in FY16 to develop deeper connections than the normal social networking structure provides.

**Please rank these topics (1 thru 3) in order of importance:**

- Real Estate Industry Development (such as succession planning, legislative or policy changes, market outlook, strategic planning)
- Personal Growth (such as building your brand, bridging generational divide; work/life balance; leadership coaching)
- Community (such as public safety, impact of urban growth, transportation planning, income inequality, affordable housing, civic/arts)

*Please tell us in your own words what you hope to gain from your involvement in ULI NEXT:*

*How many years have you been working in the land use/real estate industry?*
