A Legacy of Ideas. Pass it on.

Shea Properties

Our ULI Legacy series recognizes the enduring participation and commitment that many of our member organizations give to our local Orange County/Inland District Council.

These firms encourage their best and brightest to join ULI as Full members, Associates and Young Leaders. We appreciate their active roles on our Initiative Councils, TAPs, and programs.

Join ULI's community of professionals today.

"We find ULI to be an invaluable organization for our development teams and encourage our development leaders to get involved in ULI on some level. ULI provides excellent forums to share ideas, learn best practices, and see what other developers, consultants and organizations are doing in the world of urban planning."
